

Summer 2018

Academic Foundations Reading / Writing Bootcamps

What is AFL Reading /Writing Bootcamp?

If your ACCUPLACER placement test results placed you into AFL 080 or 085, or placed you at a lower level, Bootcamp can help you improve your reading and writing so you can qualify for a higher-level AFL class or possibly for English 101.

Bootcamp is:

- Two-and-a-half hours a day, for four days (plus the testing day).
- One-to-one assistance from experienced AFL and Writing Center Instructors.
- Focused on helping you improve your ACCUPLACER reading comprehension and writing scores.
- Preparation to re-take the ACCUPLACER test, for free (if you attend all Bootcamp sessions on time, and complete 2 to 3 hours of homework each day).

Why participate in AFL Reading/Writing Bootcamp?

- Retaking the placement test and earning a higher score could save you time and money if you qualify for a higher-level AFL or English course.
- Bootcamp can help if you believe you didn't do your best on the placement test, or you were a few points below qualifying for the next-level AFL or English course, and you want to improve your score.

AFL Reading/Writing Bootcamp Choices
