

# Cincinnati State Emergency Assistance Programs

## **The Charles E. Schell Foundation**

The Charles E. Schell Foundation, Fifth Third Bank Trustee, has funded a grant so that Cincinnati State can provide interest-free educational assistance loans to students who might otherwise have difficulty financing a college education. Qualified Cincinnati State students may request a loan while enrolled at the College to assist with tuition, textbooks, exam fees or other related educational expenses.

### **Eligibility**

- Students must be citizens of Ohio, Kentucky, West Virginia or adjoining states, with parents of moderate means who are citizens of such states
- Students must be between the ages of 18 and 25
- The student is making academic progress as determined by the financial aid office and currently maintains a minimum College GPA of 2.0

## **The Women's Fund Higher Education Emergency Grant**

The Women's Fund of The Greater Cincinnati Foundation and the Women to Self-Sufficiency Project are pleased to be able to support Cincinnati State Technical and Community College in providing assistance to its most vulnerable students through the Emergency Grants. We hope to create a safety net that makes it possible for more women to complete their education. This is not a loan, however, recipients are encouraged to "pay it forward."

### **Eligibility**

- Preference will be given to female students
- Student must be currently enrolled at Cincinnati State
- Student does NOT need to be Pell Eligible
- Emergency must be non-school related (i.e. it cannot be for books) except in extenuating circumstances
- Students must be willing to complete a follow-up survey to gauge effectiveness of the emergency grant money.
